Goodbye Dad

The clock is ticking and time is passing by
I love him very much and this is my goodbye.

He put on his brave face and told me there was nothing wrong.
He thought I never knew but I knew it all along.

He was diagnosed with cancer, it made me really sad
I knew he was unwell but didn't think it was this bad.

He used to sort it out when things got really bad
Now I just want to say "I love you dad"
